Besides **T. S. Nandakumar** of the **TSN's Percussive Arts Centre** and **Shri Loknath Sarma** of **Suswaraa,** the participants will include leading vocalists, instrumentalists and percussionists from the Fine Arts field of Mumbai and the general public.

In this particular event, we are NOT asking for monetary contributions. There already are several agencies, government and non-government, who are raising funds, collecting household items, medicines, food items, etc. and have pitched tents in all the affected areas and doing round-the-clock work to rehabilitate the victims and re-construct lives.

This is an invitation to ALL for their gracious presence above everything else in the joint prayers – for the victims and also for strengthening the hands of thousands of those working ceaselessly to rebuild lives for them.
